Verse 1
Sure as the sun rises up every morning
I am reminded the Lord is Good
With each breath I attest
All my life I have witnessed You're good

Pre-Chorus
I've been set free
from what used to me hold down
Every need
You have provided for
Now I'm filled with rejoicing

Chorus
You are good, You are good and have always been
Your promise says I'll never lack anything
C#MajB
I have tasted and seen
that You are always faithful and
You are always good

Verse 2
In the battle I find blessing
There's a table that You've prepared
All my trust is in You Lord
No matter what comes I'll be good

Pre-Chorus
I've been set free
from what used to me hold down
Every need
You have provided for
Now I'm filled with rejoicing

Chorus
You are good, You are good and have always been
Your promise says I'll never lack anything
C#MajB
I have tasted and seen
that You are always faithful and
You are always good
